**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a Sonic customer who subscribes to their excellent and inexpensive Fiber service. For years I've been restricted to only two ISP's in one of the largest most high-tech city in the US (San Francisco, CA). Before Sonic offered fiber in my neighborhood, I was limited to either Comcast Cable or AT&T DSL. Neither provided the competitive prices or the phenomenal speed and quality I get with Sonic, and neither seemed to have any interest in improving their established services. Without competition, consumers suffered.
